EXPERIENCE THE amazing

How amazing can electrical wiring devices and products be? Unbelievably so, if you look at the Indo range of products. First of all, they are all so fashionable to look at. From their sleek lines to their gorgeous colours and finishes, Indo products are a fashionista's dream come true. They can truly elevate any space with their stunning looks.

As someone who appreciates great style and loves incorporating such products in their daily lifestyle, I'm absolutely thrilled to be associated with the Indo brand. Their products complement my sense of fashion and it's exciting for me to showcase these products to you! I hope you'll find them equally amazing!

WHAT MAKES US BETTER

Vitreous Enamel Titanium
Glass Lined Coated Tank
Protects the underlying steel from
rust and corrosion.

Incoloy Glass Coated Heating Element
Offers superior heating performance.

Dynoflow Technology
Provides hot water quickly to reduce heating time.

4 in 1 Multifunction
Safety Valve
Incorporates pressure vacuum, non return,
water and discharge.

Stainless steel 304
Prevents Scaling.

IPX4 Water Resistant
And Splash Proof
